Reviewer's report

Title: Alteration of renal respiratory complex-III during experimental type-1 diabetes

Version: 2 Date: 2 December 2008

Reviewer: Surendra Katyare

Reviewer's report:

The authors have incorporated corrections ans/or provided explanations for the queries raised by this reviewer. The revised manuscript is now acceptable for publication. However, there is one oversight. Ref. 9 is an two (2) author article. Hence et. al. is in corrected. Due correction should be made
