Reviewer’s report

Title: Comparison between observed children’s tooth brushing habits and those reported by mothers

Version: 2 Date: 20 June 2011

Reviewer: Ivar Espelid

Reviewer’s report:

I am pleased with the changes made by the authors in the resubmitted manuscript.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
