Reviewer’s report

**Title:** Oral mucosal lesions in skin diseased patients attending a dermatologic clinic: a cross-sectional study in Sudan

**Version:** 4  **Date:** 20 June 2011

**Reviewer:** Norberto Sugaya

**Reviewer’s report:**

Dear authors, please consider the following Minor essential revisions:

1. Check the figures of total percentages of alcohol use in Table 1.
2. Add the same footnote of Table 1 in Table 4 informing that the summ of the categories listed may not equal the total number due to lack of information.
3. The figures of total number of tongue lesions and white lesions are different between Table 2 and Table 3.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests.
