Reviewer's report

Title: Socio-behavioural factors and early childhood caries: A cross-sectional study of preschool children in central Trinidad:

Version: 2 Date: 3 April 2013

Reviewer: Kimon Divaris

Reviewer's report:

The authors have done a commendable job addressing the issues that were raised in the initial critique. The manuscript still requires some editing for language, syntax, scientific writing and formatting (i.e. tables).

Level of interest: An article of limited interest

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I declare that i have no competing interests.
