Reviewer’s report

Title: The cytotoxicity of QMixTM and sodium hypochlorite endodontic irrigating solution on human bone marrow mesenchymal stem cells

Version: 2 Date: 12 March 2014

Reviewer: Sema HAKKI

Reviewer’s report:

The author must respond to these before a decision on publication can be reached. For example, additional necessary experiments or controls, statistical mistakes, errors in interpretation.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
