Reviewer's report

Title: The emerging dental workforce: why dentistry? A quantitative study of final year dental students views on their professional career

Version: 1 Date: 3 January 2007

Reviewer: John JR Drummond

Reviewer's report:

General
This is a well conducted study. It is interesting work that contributes to the literature and provides information that is new. The paper is clear and comprehensive. I feel the work is worthy of publication and do not feel modifications are required.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
I declare that I have no competing interests.
