Reviewer’s report

Title: Statin using periodontitis patients have markedly fewer periodontal lesions - a retrospective study

Version: 4 Date: 21 March 2008

Reviewer: Francisco Gude

Reviewer’s report:

The authors have satisfactorily addressed my previous comments. Therefore, I recommend that the paper be accepted for publication in BMC Oral Health.

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
