Title: Oral Health-related Cultural Beliefs for four racial/Ethnic Groups: Assessment of the Literature

Version: 3 Date: 13 February 2008

Reviewer: Stella YL Kwan

Reviewer's report:

The numbers in the flow diagram in Figure 1 still do not add up. Take the Chinese as an example, 731 - 600 - 74 + 4 not equals to 30. Hence there are articles that have not been accounted for throughout the flow diagram. Please also make sure the numbers correspond to those stated in text.
