Reviewer’s report

Title: Inequalities in public water supply fluoridation in Brazil: an ecological study

Version: 3 Date: 20 December 2007

Reviewer: Marco Aurélio Peres

Reviewer’s report:

The authors have provided solid arguments in order to address my concerns. This manuscript offers original and relevant contribution to improve our understanding about inequalities in oral health.

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
