Reviewer’s report

Title: “It's alright to ask for help”, developing competence, preparedness and confidence in family carers providing end of life care: findings from a qualitative study with carers and nursing staff.

Version: 2  Date: 1 April 2014

Reviewer: Paul Sinfield

Reviewer’s report:

I have reviewed the paper and covering letter and am satisfied that the issues raised in the first review have been addressed. I note that there is an error in Table 2 second row second box, where the number should be 3.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
