Reviewer’s report

Title: "It's alright to ask for help", developing competence, preparedness and confidence in family carers providing end of life care: findings from a qualitative study with carers and nursing staff.

Version: 2 Date: 19 March 2014

Reviewer: Robin Cohen

Reviewer’s report:

The authors have done an excellent job of addressing all of the reviewers' comments. I thank them for also making it easy to review their changes, both through their cover letter and through highlighting the changes within the manuscript.

I have no further suggestions.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
