Reviewer’s report

Title: Meanings of existential uncertainty and certainty for people diagnosed with cancer and receiving palliative treatment: a life-world phenomenological study

Version: 3 Date: 2 April 2014

Reviewer: Bridget Johnston

Reviewer’s report:

This is a revised resubmission. I am satisfied that the authors have made all the corrections suggested by the 2 reviewers. Overall the paper reads much better and is worthy of publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
