Reviewer's report

Title: In the shadow of bad news - Views of patients with acute leukaemia, myeloma or lung cancer about information, from diagnosis to cure or death.

Version: 5 Date: 5 January 2007
Reviewer: Patricia A parker

Reviewer's report:

General
I believe that the authors have adequately addressed my previous concerns. I think the manuscript is much improved.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
I declare that I have no competing interests.
