Reviewer's report

Title: Associations between successful palliative cancer pathways and community nurse involvement

Version: 13 Date: 25 September 2009

Reviewer: Victor Kiri

Reviewer's report:

My review has been more about some statistical issues which the authors have now acknowledged as limitations of the study. Hopefully, readers will find the additional information useful in their evaluation of the findings.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
