Reviewer’s report

Title: A systematic review of psychosocial interventions for family carers of palliative care patients

Version: 2 Date: 11 May 2010

Reviewer: Ann-Louise Caress

Reviewer’s report:

The authors have responded appropriately to comments from both reviewers. The discussion is now considerably strengthened.

There is a typographical error on the first line of the last paragraph (caregivers). Other than this, the revised paper reads well.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
