Reviewer's report

Title: Factors affecting knowledge and perception of women about smoking: a cross sectional study from a developing country

Version: 3 Date: 28 January 2011

Reviewer: Brian Flynn

Reviewer's report:

The authors have addressed all concerns noted in the previous review.

Discretionary revision: The full questions could be placed in the column headings for Table 3. The arrangement for Table 2 is adequate. Some further minor copy editing may be beneficial.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests in relation to this paper.
