Reviewer’s report

Title: Are there socioeconomic disparities in women having discussions on human papillomavirus vaccine with health care providers?

Version: 2 Date: 8 August 2012

Reviewer: Spring Chenoa Cooper Robbins

Reviewer’s report:

I’m impressed with the amount of detail paid to the revision process and think that all of the needed areas were addressed.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I have received travel support and compensation for lecturing from CSL Australia (distributors of Gardasil). I have also received unrestricted research funds from CSL Australia.
