Reviewer's report

**Title:** Vaginal douching a traditional habit and a cause of reproductive health hazards: a cross sectional study

**Version:** 1  **Date:** 6 January 2013

**Reviewer:** Ali Irfan Guzel

**Reviewer's report:**

This is a common problem in middle east countries specially women who are muslim. After some corrections this manuscript can be accepted for publication.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.

**Declaration of competing interests:**

I declare that I have no competing interests
