Characteristics of sexual violence against adolescent girls and adult women
MS #8927231458197885

Reviewer's report
Major Compulsory Revisions
All done.

Minor Essential Revisions
All done.

Discretionary Revisions
All done

Level of interest
-----------------
- An article whose findings are important to those with closely related research interests.

Quality of written English
--------------------------
- Needs some language corrections before being published.

Statistical review
------------------
- No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests: I declare that I have no competing interests.

What next?
----------
Accept without further revision – however, the MS needs language editing.

Level of interest: An article whose findings are important to those with closely
related research interests
