Reviewer’s report

Title: Gender: Shaping Women’s Personality, Lives and Health in Pakistan

Version: 2
Date: 13 November 2013

Reviewer: Maggi Banning

Reviewer’s report:

The question posed is well defined.
2. the methods are appropriately described
3. the data are sound
4. relevant standards of reporting are used
5. the discussion is finely balanced
6. limitations are clearly acknowledged
7. Yes
8. the title reflects the paper.
9. the writing is acceptable with the exception of one typo on page 12.

I feel that the paper could be published with only 1 correction.
