Reviewer's report

Title: Native New Zealand plants with inhibitory activity towards Mycobacterium tuberculosis

Version: 2 Date: 24 May 2010

Reviewer: Jorge Castro-Garza

Reviewer's report:

These are the comments about the new version of a revised manuscript:
The authors have considered all the comments and questions and they have modified the manuscript and answered the questions adequately.
The paper is now suitable for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
