Reviewer’s report

Title: Anticancer activity of a dichloromethane sub-fraction of Strobilanthes crispus on human breast and prostate cancer cells in vitro

Version: 3 Date: 20 July 2010

Reviewer: Seyed Hadi Mousavi

Reviewer’s report:

I reviewed the revised manuscript entitled "Anticancer activity of a dichloromethane sub-fraction of Strobilanthes crispus on human breast and prostate cancer cells in vitro".

It has been revised accordingly and now it is recommended for publication in BMC Complementary and Alternative Medicine journal.
