Reviewer’s report

Title: Antibacterial activity of traditional medicinal plants used by Haudenosaunee peoples of New York State

Version: 2 Date: 21 October 2010

Reviewer: Ramón Enrique Robles Zepeda

Reviewer’s report:

I believe that changes to the paper have been made. From my point of view the paper should be accepted for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I declare that I have no competing interests
