Reviewer's report

Title: Antibacterial activity of traditional medicinal plants used by Haudenosaunee peoples of New York State

Version: 2 Date: 30 October 2010

Reviewer: Savarimuthu Ignacimuthu

Reviewer's report:

Most of the corrections have been carried out. In two places (Abstract and Discussion) they say that if editor says, they would do the needful. I leave it to the editor to decide

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
