Reviewer's report

Title: In vitro activities of natural products against oral Candida isolates from denture wearers

Version: 2 Date: 26 July 2011

Reviewer: Suwimol Taweechaisupapong

Reviewer's report:

Major Compulsory Revisions

The statistical analysis is not clear. Why the author use Student's t-test for comparison among several groups? There is no report about the statistical test in the results.

Level of interest: An article of limited interest

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
