Reviewer’s report:

Major comments: The manuscript has been improved a lot after the revision and can be accepted.

Minor Comments: there are a few grammatical and typological errors that can be checked at the time of production or proofreading. A few are mention here...
1. Ethyl Acetate should be corrected as Ethyl acetate at all places.
2. Please check the figure legends again for grammar and spellings.
3. At few places plants names are not italized...please correct.
4. Background of figure should be changed to white or some light color.
