Reviewer's report

Title: Effect of self-administered auricular acupressure on smoking cessation-a pilot study

Version: 3 Date: 31 January 2012

Reviewer: Jeffery Dusek

Reviewer's report:

Major Compulsory Revision
Remove the word "efficacy" from the study aims since the pilot study will likely be able to provided evidence feasability and allow for the collection of effect sizes from which a future randomized controlled trial would be statistically powered.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
