Reviewer's report

Title: Prevalence and Determinants of Complementary and Alternative Medicine use among Infertile Patients in Lebanon: a cross sectional study.

Version: 2 Date: 10 July 2012

Reviewer: Tamer Edirne

Reviewer's report:

Thanks for the acceptance and corrections done. One last thing: in the abstract (very important not to have mistakes...) pls, correct as:

"The older the age of infertile patients recorded, the lower the odds of CAM use (p for trend <0.05) was observed.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
