Reviewer's report

Title: Utilization Pattern of Traditional Chinese Medicine for Liver Cancer Patients in Taiwan

Version: 4 Date: 21 June 2012

Reviewer: Laura Weeks

Reviewer's report:

The authors have obviously spent a lot of time considering and responding to reviewer comments. This is an improved paper and acceptable for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
