Reviewer's report

Title: Cucurbitacin B inhibits human breast cancer cell proliferation through disruption of microtubule polymerization and nucleophosmin/B23 translocation

Version: 2 Date: 4 July 2012

Reviewer: Pratibha Nerurkar

Reviewer's report:

Although the authors have satisfactorily addressed the reviewer's queries, it is difficult to know whether these changes have been incorporated into the revised manuscript since the changes/revisions have not been clearly marked in highlight, colored font or track changes.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
