Reviewer's report

Title: Effects of Ginsenoside Re on LPS-induced Inflammatory Mediators in BV2 Microglial Cell

Version: 2 Date: 8 October 2012

Reviewer: Chunfu Wu

Reviewer's report:

In the revised manuscript the authors highlighted the parts that they revised and replied my comments in the cover letter. However, I would like to see the reply for the concern on the dose range in the Discussion but not only the cover letter.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
