Title: Rhodiola rosea for physical and mental fatigue: a systematic review

Version: 2 Date: 13 March 2012

Reviewer: Malinee Laopaiboon

Reviewer’s report:

This update version is much clearer than the previous one. However, there is very minor point about references to be checked. Reference no.24 is cited in two paragraphs, one on line 14 of page 15 and again on second line of page 16. They should not the same reference.
