Reviewer's report

**Title:** Sesamin Stimulates Osteoblast Differentiation Through p38 and ERK1/2 MAPK Signaling Pathways

**Version:** 2  **Date:** 1 September 2011

**Reviewer:** Je Tae Woo

**Reviewer's report:**

In the revised manuscript the authors have corrected the mistakes, added detailed explanation, and rearranged the figures according to the reviewers' comments. The revised manuscript is much better than the previous one.

**Quality of written English:** Acceptable

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.
