Reviewer's report

Title: Patients’ expectations of private osteopathic care in the UK: a national survey of patients

Version: 2 Date: 13 May 2013

Reviewer: John Licciardone

Reviewer's report:

The authors have thoroughly addressed the reviewer comments and revised their manuscript accordingly. Presumably they have addressed any statistical issues that may have been identified and requested by the journal's statistical consultant as well as other discretionary issues related to journal style, etc. Based, on these presumptions, I recommend acceptance of this revised manuscript.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
