Reviewer's report

Title: Cameroonian medicinal plants: a bioactivity versus ethnobotanical survey and chemotaxonomic classification

Version: 3 Date: 10 June 2013

Reviewer: Long Chunlin

Reviewer's report:

The manuscript can now be accepted for publication. The only small issue is that the authors should format the literatures, including the notional words of books/monographs titles (should be capitalized), the dots of some abbreviations of journal names (should be deleted), and some others.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

No
