Reviewer's report

Title: Evaluation of estrogenic, antiestrogenic and genotoxic activity of nemorosone, the major compound found in brown Cuban propolis

Version: 2 Date: 5 July 2013
Reviewer: Luca rastrelli

Reviewer's report:
In this actual version a separate paragraph with all statistical methods and analysis used was included. In my opinion the paper is suitable for publication as it is.

Level of interest: An article of importance in its field
Quality of written English: Acceptable
Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
