Reviewer's report

Title: Polygonum cuspidatum inhibits pancreatic lipase activity and adipogenesis via attenuation of lipid accumulation

Version: 2 Date: 8 September 2013

Reviewer: Isao Matsui-Yuasa

Reviewer's report:

Major comment
1. It is very important to show the date on the effect of each fraction on adipogenesis. The authors should add the date.

Level of interest: An article of limited interest

Quality of written English: Not suitable for publication unless extensively edited

Statistical review: No, the manuscript does not need to be seen by a statistician.
