Reviewer's report

Title: Ardipusilloside I induces apoptosis via regulating Bcl-2 family proteins in human mucoepidermoid carcinoma Mc3 cells

Version: 6 Date: 5 July 2013

Reviewer: Bungorn Sripanidkulchai

Reviewer's report:

The manuscript should be accepted to be published after the authors add more discussion on the reason of why some experiment was performed at 24 h and some studies were done at 48 h.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests' below.
