Reviewer's report

Title: A survey of Canadian regulated complementary and alternative medicine schools about research, evidence-based health care and interprofessional training, as well as continuing education

Version: 2 Date: 13 December 2013

Reviewer: Martina Kadmon

Reviewer's report:

The authors have adequately and thoroughly addressed all the reviewer concerns and suggestions of the first review of the manuscript. Therefore, no further revisions are required.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
