Reviewer’s report

**Title:** Efficacy of Modified Liujunzi decoction on functional dyspepsia of spleen-deficiency and qi-stagnation syndrome A randomized controlled trial

**Version:** 3  **Date:** 14 September 2012

**Reviewer:** Konstantinos Dabos

**Reviewer’s report:**

Minor essential revision.

1. Single dyspepsia symptom scores assessed by patients had some differences to the scores by investigators as shown in table 4. This should be corrected in the results section in page 7

**Level of interest:** An article of importance in its field

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
