Reviewer's report

Title: Antioxidant and relaxant activity of fractions of crude methanol extract and essential oil of Artemisia macrocephala Jacquem.

Version: 1 Date: 10 December 2012

Reviewer: Vivek K. Bajpai

Reviewer's report:

The manuscript of quite interest and written well and suits to the scope of the journal.
However, before accepting the MS for publication in BMC complementary and alternative medicine, i would like authors to check the antioxidant activity of A. macrocephala in some other antioxidant models including superoxide, hydroxyl and nitric oxide radicals to further improve the quality of the MS.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
