Reviewer's report

Title: Protective effects of stem bark of Harungana madagascariensis on the red blood cell membrane

Version: 6 Date: 24 March 2013

Reviewer: Patcharee Boonsiri

Reviewer's report:

There are some mistakes of writing e.g. gramma, spelling etc. And some sub-titles must be added in method part. This need to be corrected by the authors before accepting.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare no competing interests.
