Title: Morus alba L. suppresses the development of atopic dermatitis induced by the house dust mite in NC/Nga mice

Version: 2 Date: 20 October 2013

Reviewer: Nandakumar Krishnadas

Reviewer's report:

Most of the comments are described in the manuscript itself. The authors and editors can go through it and accordingly the changes could be made.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
