Reviewer’s report

Title: Saccharomyces cerevisiae legume fermented product modulates cutaneous atopic dermatitis-like inflammation in mice

Version: 2 Date: 13 January 2014

Reviewer: preeti desai

Reviewer’s report:

Minor Essential revisions

1. I have read the manuscript and according to my view this manuscript requires minor essential revisions.

2. It has many spelling, typo and grammatical mistakes which needs to be address before final acceptance.

3. In the manuscript authors has included some lines to justify the previous reviewer’s comments which is not in flow to the main manuscript.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
