Reviewer's report

Title: The interface with naturopathy in rural primary health care: A survey of referral practices of general practitioners in rural and regional New South Wales, Australia

Version: 2 Date: 28 March 2014

Reviewer: Kieran Cooley

Reviewer's report:

Thank you to the authors for their thoughtful responses to earlier comments. All of this reviewer's comments have been adequately addressed with the exception of evidence of a supporting Appendix/supplementary material which includes a copy of the survey questions.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I declare that I have no competing interests
