Title: Antidiabetic, Renal/hepatic/pancreas/cardiac protective and antioxidant potential of methanol/dichloromethane extract of Albizia Lebbeck Benth. stem bark extract (ALEx) on streptozotocin induced diabetic rats

Version: 2 Date: 30 April 2014

Reviewer: Alberete Fransis

Reviewer’s report:

Reviewer’s report

1. Major Compulsory Revisions: NONE

2. Minor Essential Revisions:
   The title of the article has repetition of the word “extract”. It is advisable to remove the repetition of the word.
   There are some grammatical errors and spelling mistakes in the background section. Such as “of” should be used in place of “oof”.

   In Animals section: Why the researchers have used only male rats for experimentation. Why not female rats were used. If both were used then both male and female should be mentioned. Kindly make the word ad-libitum in italics

   Under section Preparation of plant extracts, researchers have used rota-vapour. Make and model of rota-vapour should be mentioned.

   Kindly replace “Effect of ALEx on weight variation” in place of “Effect of ALEx weight variation”.

   Correct the spelling in the effect of ALEx on histopathology of pancreas, kidney, liver and heart.

   In Discussion section 12th para. Kindly check the spelling of ascending and descending.

   Kindly check the spelling mistakes and grammatical errors in the manuscript.

Author contribution

The contribution of one of the author i.e Pushpraj S. Gupta is missing. Kindly provide the contribution of that author to the manuscript.

References

Kindly rewrite the reference no. 6, 18, 21, 22 and 44.

3. Discretionary Revisions: NONE

Level of interest: An exceptional article
Quality of written English: Acceptable
