Title: Involvement Of Seladin-1 In Goniothalamin Induced Apoptosis On Urinary Bladder Cancer Cells

Version: 1 Date: 13 May 2014

Reviewer: Sreenivasan Sasidharan

Reviewer's report:

Minor Essential Revisions

Material methods

1. Please indicate the concentration of DMSO (Ajax Finechem) which was used to prepare the stock solution of goniothalamin.
2. Please provide RT4 urinary bladder cancer cell line passage number
3. The author should mention the references for the assay they use to study the anticancer activity. Please provide the MTT Assay reference

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.
