Reviewer's report

Title: Anti-hyperglycemic activity of Centella asiatica is partly mediated by carbohydarse inhibition and glucose-fiber binding

Version: 4 Date: 2 November 2013

Reviewer: yuvadee wongkrajang

Reviewer's report:

I accept the revised paper.

But the author should label a, b, c in table 5.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

The author should label a, b, c in table 5.
