Reviewer’s report

Title: Characteristics of randomized controlled trials of yoga: a bibliometric analysis

Version: 4 Date: 18 July 2014

Reviewer: raghuram nagarathna

Reviewer’s report:

Major Compulsory Revisions: None

Minor Essential Revisions:
1. In the Bibliometrics section, line 25-26 reference no. 429 has been mentioned for a publication in Lancet as well as in Annals of Internal Medicine. Please recheck.

Discretionary Revisions:
1. Very recently, a meta-analysis on effects of yoga training in patients with COPD has been published and can be taken into consideration:

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
