Reviewer's report

Title: Evaluation of antinociceptive effect of methanolic extract of leaves of Crataeva nurvala Buch.-Ham.

Version: 1 Date: 5 June 2014

Reviewer: Dewan Akhter

Reviewer's report:

The content of the manuscript seems all right but the manuscript requires English language editing. Please revise the complete manuscript to improve the language, quality of English and make it more coherent. The "Conclusion" section should be revised. All the references should follow the guidelines of the journal.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
